

NC Board of Cosmetic Art Examiners

Free Continuing Education Class for Cosmetologists, Estheticians, Manicurists, and Natural Hair Care Specialists

April 2023

The Board has approved practice in a nursing home for the benefit of the residents by licensed cosmetologists, estheticians, manicurists, and natural hair care specialists to use as a free continuing education. Attending to the cosmetic art needs for individuals living in a nursing home facility may be document on this form and count as continuing education.

After completing practice, the licensee shall complete, sign and keep this page for a record of completion.
